

CERTIFICATE OF APPRECIATION

This Certificate of Appreciation is proudly presented to Shlok Sathwara in recognition of his outstanding contribution and dedication during his internship with our organization.

As the designated Team Lead for the company website modernization initiative, Mr. Sathwara spearheaded the complete redesign and redevelopment of our legacy web application — transforming a platform that had been in operation for over a decade into a modern, responsive, and user-centric solution.

Throughout the project, he demonstrated strong technical proficiency, sound leadership, and consistent professionalism. He worked closely with the Administration, Information Technology, and Human Resources departments to understand business requirements and translate them into effective, practical solutions.

His key contributions included improving the overall user experience, optimizing the website architecture, modernizing the interface, and streamlining operational workflows — ensuring the final product aligned closely with both organizational goals and industry best practices.

His initiative, problem-solving ability, and steady leadership throughout the development process were instrumental to the project's successful completion.

We extend our sincere appreciation for his valuable contribution and wish him continued success in all his future endeavours.
